Church Weekend

Legacurry's first ever weekend away is taking place from Friday 19th to Sunday 21st January. We are planning to go to Castlewellan Castle for a weekend of fellowship and craic. It is open to everyone from young kids to our senior members and we'd love as many as possible to come.

There will be something for everyone with worship, teaching, activities, relaxation and of course, food! The cost, including meals, will be:

£75 per adult, £60 for secondary school aged children, £50 for children 8-11 years old, £30 for 4-7 years old, and free for under 3s.

Financial assistance will made be available for those unable to afford to go; speak to Bobby confidentially if this applies to you. To allow the venue to be booked, numbers need to be confirmed by 1st October, so if you plan to go, please tear off the reply slip opposite and return it with your deposit.

If you would like further information or have any questions, then please speak to Phil (07866 563 417) or Susan Brown (07989 776 527).

See you there!
