

Jesus Helps ...

10 lepers. Luke 17:11-19

What was the problem?

The men had a skin disease that meant

- they could not talk to people
- they could not go near people
- they could not enter a village

How many men were healed?

- 1
- 9
- 10

How did Jesus heal the men?

- with a word
- with a touch

Were the men made well

- immediately?
- on their way to show the priest?

How many men came back to thank Jesus?

- 1
- 9
- 10

Think of some of the things you can thank God for.
