

Jesus Helps ...

at a wedding. John 2:1-11

Memory Verse Puzzle

Why was Jesus able to turn water into wine? To find out, start with the letter J in the upper left-hand corner of the water jar and follow the lines, using every letter once only. Put arrow marks on the lines so that you can see where you have been. Write the letters in the spaces below the water jar. End with the letter v in the bottom right-hand corner. The first 2 arrows have been put in to help you get started.

What was the problem?

- no food
- no wine
- no water

What miracle did Jesus perform?

- fed 5,000 people
- turned water into wine
- brought water out of the rock

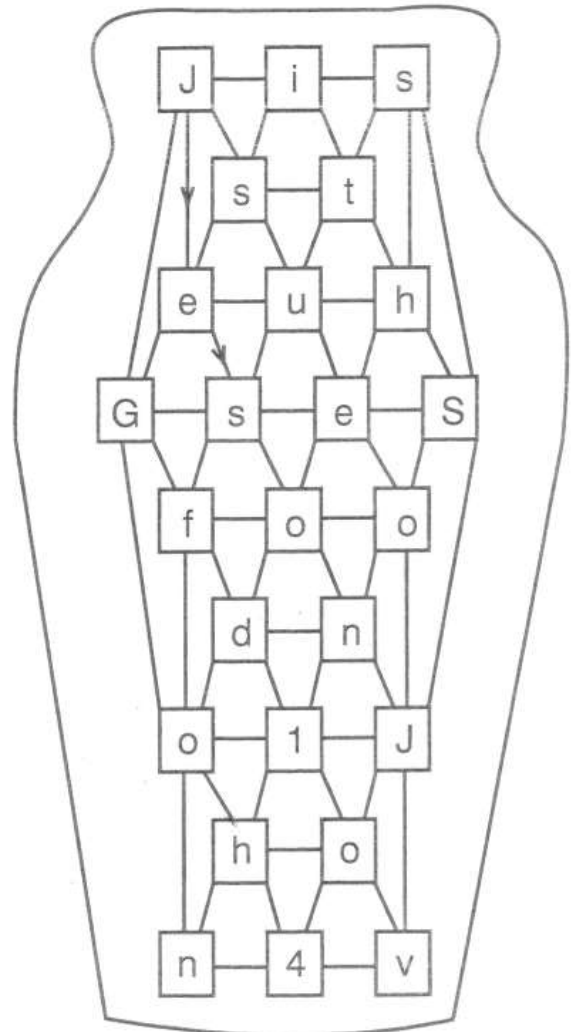

What did this miracle reveal about Jesus?

- he knew what men were thinking
- he cared if people were hungry
- his glory

What was the result?

- people had enough to eat
- everyone believed in him
- his disciples believed in him

Should I expect God to perform a miracle to get me out of a difficult situation?
